#### BULLETIN 1

## DRENTHE/FRIESLAND 2 DAYS 2019

26-27 OCTOBER 2019

#### Welcome

We welcome you to the Drenthe/Friesland 2 Days 2019 in Appelscha in the Netherlands! This edition will take place in FRIESLAND province and the village of Appelscha will be our venue. We offer you O-races of great quality on two maps in the National Parc "Drents-Friese Wold". For stage 1 we present you a brand new map called "Bosberg"! A challenging map with a lot of small contours but also with quite some tracks. You might feel all the small hills after the Middle Distance race 😊. For stage 2 we will bring you back to the map of the "Kale Duinen" which we used on the previous editions. We are very glad the State Forestry ("Staatsbosbeheer") granted us permission to use these two beautiful maps "Bosberg" and "Kale Duinen".

This is the initial information we can offer you. Check our website [www.drenthe2days.nl](http://www.drenthe2days.nl) and follow us on Facebook (<https://www.facebook.com/drenthe2days/>) to read our news and updates immediately.
